Prulez wrote on Tue, 08 February 2011 08:06The Original announcement said there would be a new map added to TT!

This. I totally remember you guys wanted to add that one City2 map by Deathlink.

In any case, though, I can understand why it'd be kinda useless.

Idea- why not have a sort of "Official" map pack with a bunch of maps like that one, Snow, and some others? Maps that are really well made and balanced and such.
