Altzan wrote on Fri, 18 February 2011 14:12I'm just curious... is this thread a rant against FOX protesting the game? Why's that so terrible?

Because clearly, a video game deserves media attention due it being horribly violent. How could the parents know that a game called "Bulletstorm" with an M rating could be something they don't want their kids to see?! Honestly, it's not their fault!
