LOLOLOL STARVING CATS LOOOOLZ UR A FAG

Sorry - i could resist
haha made me laugh too. So ACK, i have read your resume. Are you working for a company now or so creating 3d models etc? How is your life doing after graduation from the design school? Im thinking about doing the same, well for a bit. I now study Commercial Economics but i just found out its not something i actually really like so im about to change schools.
