fnfall sniping servers, always a riot with sometimes 32 players going at it, also these we true sniper servers with few lame mods that run rampant nowadays with only tunnel sniping being allowed.

awar2002, One of the very successful infantry only servers in the early Renegade years

crimson79, one of the original sniper servers with a nice player count of 8

Black Cell, for always being at the cusp of something new

n00bstories, for consistently providing large (10vs10 up to 25vs25) player games
