Today's Ren

St0rm Gaming AOW is my favorite. I love being able to buy weapons and call in for ammo/backup. People there are generally nicer than other communities. More money + rank there than the other servers as well

Old Ren

St0rm Gaming CooP used to be my favorite several years ago. The maps were awesome and it had a shit ton of players all the time. Server is kind of dead these days or I'd play it more often.
