Spoony wrote on Fri, 25 February 2011 18:54 given the enormously varied opinions just on this forum on which C&C games suck and which don't, how can you expect to please everybody?

the only consensus i've ever seen is about C&C4 (i've yet to hear a single favourable opinion about it)

There are a couple people on the official C&C message boards that like C&C4. I don't see how... but they do... and they are actively defending the game's integrity.
