You scored 41, on a scale of 0 to 90. Here's how to interpret your score:

0 - 30

You're the sociable type and definitely not meant for the quiet life.

31 - 60

Though you can be extroverted, you're also drawn to solitude and stillness at times.

61 - 90

Pack your bags and head for the nearest desert cave. You're quality hermit material.

I couldn't answer question 7 honestly, though... and it wouldn't let me leave it blank.
