Reborn, I was wondering why I did myself... Mainly because of what Goz said, they aren't even played anymore. Just felt like trying too, also My Xbox was sent out for repairs (red ring) So I was bored and had been playing some Ren again.

Thanks Firestorm, I agree.

Sure Halo! Cool bot u got there.

Hopefully Someday they will be back with TT, then again im not sure if TT will have a HUD with radar overviews?? But I found that out after I had made these, oh well... maybe someone will get use out of them.

My Xbox is back now, but I still have a place in my heart for Renegade.
