Wilo is king and if he wants his little minions to stay, they stay. Biggest asshole community I've ever seen (and I've seen a lot!).

Wow serious issues with you Spyder. You even know who the moderators are? I bet not. They don't care? LOL yeah you are a great source to know this. WTF is a asshole Community? What has your panties in such a wad about st0rm? Jealous that st0rm is a fun community where we all get a long and have a good base of regular players?

To all: we take cheaters very seriously and have the same issues that any other community has from time to time. If we have a cheating mod, it will get sorted. It has in the past and I know it has in other communities. I can speak to facts as I have been a part of most communities since the start of Renegade.
