Good job, HaTe.

It was quiet funny in the last video that once Mobile figured out I was frapsing his fucking cheating ass, he got spooked and never came to the air tunnel and less than 3 mins later, he leaves.

I was told last week [by a junior St0rm mod] that Mobilest0rm is "ADMIN OF ST0RM EUROPE" (HURR DURR KISS MY ASS WITH THAT TITLE) and that it will be suicidal to suggest he is cheating without proof.

If we have a cheating mod, it will get sorted. It has in the past and I know it has in other communities. I can speak to facts as I have been a part of most communities since the start of Renegade. Good to hear. So what will the powers-that-be at St0rm do now? In these videos, we have done a lot of the work for you already (which you should have been doing) and your man is not clean. Next move is yours, Wyld.

if i remember correctly wasnt it your brother that ended up getting you perma banned after many many chances to change his attitude?

Anyway, i love reneDrama

I don't think the topic of a obvious cheater counts as "ReneDrama" tbh. Nice try, though.

Weren't you a mod of sorts at St0rm when you tried all kinds of xxxx in-game that was against the rules?
