When did I moan about not liking it, I seriously wanted to hear opinions and thoughts on why others dislike or like it...

well, Glock was kind of being a faggot with that, but you got most of your answer I think

people who like it: have various reasons, they mostly like it because it's just plain fun and is a nice sandbox game

people who dislike it: end up resorting to "lol I'm just trolling you guys OWNED"

so yeah
