A whole country cheering for the death of another human being. A man with a wife, with children, with friends, with family.

typical fat, dumb americans

I'm not fat, nor dumb.

Though, I wasn't out celebrating the death of a human being. Those people aren't even educated, more then likey. They are just fed what the news and media give to them, and take that as the truth. Hence, their celebrating in the streets..
