A whole country cheering for the death of another human being. A man with a wife, with children, with friends, with family.

Stay classy, America.

typical fat, dumb americans
Go f*** yourself.

We are celebrating the death of a mentally insane mass-murderer who justifies killing innocent people, not just americans, under the category of religion.

I had family almost killed in 9/11, 1 got out of the trade center just in time, and the other 2 got out of the buildings near the pentagon as soon as they got wind of the first attacks.

P.S. Osama was the Hitler of the 21st century.
celebrating his death will just piss them off more and provoke more problems

The first thing I did when I heard he was dead was high fived my roommate.

You Americans are so sophisticated.
