ROFL spoken like a true n00b England. In 1v1s its not just about who makes it to pp in time fool, especially if its base defence. In 1v1s (mostly on field) it proves how well you are in tanks. Mostly light tanks, meds, and arts. Proves how you can attack the enemy and defend your base at same time. Shows that you can attack, yet at same time watch out for stank rushes APC rushes, flame rushes etc. Shows how well you use strategy, how well you rush and stay alive, or destroy a building. If can do all of that in just a 1v1, then you could be best player on your team in a team game as a 4v4 or 5v5. LMAO and you didnt kno that...no wonder why you wont play me, LMFAO you dont even have the concept of the game right.
