Walrus! don't think a game like this would solve anything, I have played a few 1v1 and its always the same, defence map, who can kill the harv and get an apc first, non defence is a one run hottie and tech race, it always seemed a bit pointles.

ermmm, sorry I am over here in England were fire arms are some what prohibbited. What is an SKS ans why wouldnt the amunition fit?

well all that says is that you have never played anyone good...
