x50c3ntJavaxcxI find it humourous how none of the CW kiddies have made any kind of reply to what I posted yesterday. Perhaps because it's 100% definate, and cannot be refuted? Thats a shame, I'm getting a blast out of watching actual people try and pervent and distort logic.

Actually, i'm gettin a lil tired of the back and forth bickering so i didnt read anything anyone posted...cant u sum it up in one easy sentence instead of a book plz?

Somehow I doubt that. You simply cannot combat logic with your linear illogic anymore. Maybe you're starting to understand what "makes sense" in this thread and what doesn't, or maybe not.
