Actually, the differences between us and you, is that you're all brawn (and I use that VERY loosely) and no brain. This argument goes far deeper than merely a video game. You (being the representative of the CW at the moment) and your little buddies have caused a helluva lot more trouble than you credit yourselves with. Why don't you skim through your forums and take a look at the abusive and repulsive posts you have made about this community. Unlike the Bible says, we're not going to "turn the other cheek", but we ARE going to point out the flaws in your insults like we already have done. Perhaps you'd like me to define where you have been "idiots" and "morons", because you fall under both categories, and those "insults" are backed up with proof and are as much a label for you as you label yourself "x50c3nt".
