It took 6 hours for mine. I take it you used the correct URL:

<http://renegadeserver.westwood.com/RenegadeFdsReg/index.jsp>

It sends it to the email you registered with WOL on. It tells you your email when you login to account manager so make sure you can access the email your registered to WOL with.

**\*MODS\*** - Make "<http://renegadeserver.westwood.com/RenegadeFdsReg/index.jsp>" a sticky topic in the FDS forums as people are always asking for this.
