FekLeyrTarg wrote on Sun, 07 August 2011 14:47Honestly I didn't have much fun. It lagged too much, I couldn't aim and I was always shot down. So I decided to leave after about three quarters of an hour. (No offense)

I was in Germany when I was playing.

The only time I lagged was on the DM map but that was only for a min or so...

Must have been your connection.
