HaTe wrote on Wed, 10 August 2011 15:58she's too lazy to do anything apparently. It's the people she put in charge that are fucking morons. She's just the tool that lets them do whatever the fuck they want

You sir are a moron.

Crimson is incredibly hard working in everything she does, I could go through a list but it's not worth it. Anyone that believes your statement clearly has no clue what goes on. I expected more of you tbh HaTe you've been around long enough to know what goes on. I dunno why you turned into a troll but it doesn't suit you.
