Don't you have a n00stories server to harass? I am sure there's some people there who need you right about now. You accomplished making a few maps for Renegade, pat yourself on the back some more.

I don't make maps sparky, I just moderate servers, keep mods(admins too) in line, and generally make a place fun. I don't DO anything though.

Sorry for going off topic zunnie, I just dislike dumbasses.
