R315r4z0r wrote on Tue, 16 August 2011 21:28 Wait... people are still working on that TT thing?

Do people even still play Renegade? I thought everyone moved to one of the mods... :\ I think there are on average 5 to 10 commits every day for the past couple of months, so yes TT is being worked on. The private beta allows the team to find and fix a lot of bugs.

Edit: Bugs vary from bugs that were in stock ren as well as new bugs.
