shaitan wrote on Mon, 15 August 2011 15:30halo you do know a few servers have had this non-public for quite some right, right? This is just evening out the playing field somewhat.

Yep, and again I say:

halo2pac wrote on Sun, 14 August 2011 20:46 I respect the community enough not to do it.

Basically its non-hack cheating / deception.
