dogtree wrote on Fri, 19 August 2011 02:37As we all know that there are a lot of foreigners in u.s.
how come

come most of american seem to ignore them.

there is a Chinese exchange student in my class, but no one i repeat no one seems to care or
want to talk to him

how come american are so racist?

So, because American lives revolve around working quite a bit of their life, and they tend to ignore
random people that they don't even know (labeling them as just a race is stereotypical), that
makes them... racist?
