Been listening to a lot of oldies and such. Got back into the guitar and my roommate plays the bass.

Cracker - Low

Eric Clapton- Cocaine

Rolling Sly Stone - Red Hot Chili Peppers

Doors

Bob Dylan

Lots of shit

@caveman I thought all your songs sounded like shit until I got drunk and listened to them again.

That song brings back some good times.

Who originally made that awesome dubstep part I always hear it at raves mixed with different songs from djs at raves.
