More specifically:

Quote:Spelling/Grammar: This is a gaming forum, not literature. Keep the urge to correct to yourself. If it pains you so much to see someone misspell a word, miss a comma, etc., give them lessons in private because we don't want to see it on the forums. However, we would appreciate it if everyone's post was at least legible.

I shall therefore report every post of you where your main point is grammar correcting of you to a moderator for violating this rule of conduct that I come across after this post.

I sincerely hope I did not make any grammar and/or spelling errors in this post. If I did so, my sincere apologies, ACK.
