YuriMan19 You know, there could be serious partying at mah house if indeed we were informed that an astroid that could kill us was true...booze, asian gals, and most of all...we wouldn't care!! xD

IT would be much better if the president called ur house international grounds so everything is lugal and would be even more better if u didnt talk about the we all going to die thing so we would go all out! or a bunch of beer heh. :lookround:
