xryan wrote on Tue, 13 September 2011 08:19 Move outta moms house, get a job, support yourself, get married, have kids and support them as well. Do something in your life actually worth being respected, rather than just sitting on your sorry immature asses kicking people from Renegade servers all day, trying to make yourselves feel important.

I'm sure your wife and kids would be real proud knowing you're being a colossal nerd, arguing on a two-bit gaming forum during weekday work hours.
