Does he really not get it? Is it really that hard to comprehend?

Xryan, please learn to Renegadeforums.

We (or about 80-90% of us) here at Ren forums don't even play Renegade anymore. You're insults and complaints are falling on deaf ears. The reason why everyone here is calling you a fool is because you're causing such a fuss over something that we have absolutely no care or control over.

It's like ranting to your English teacher about wanting to retake a Math test... it's just stupid.
