Ah, just to get the record straight, how did you get it? Because for quite a while Cat998 (BlackIntel) had it, but then somewhere it got lost or something...

Jerad Gray wrote on Wed, 31 August 2011 18:06I don't see why people are still competing for the a00's, it's been sorting by player count since at least 3.0 released.

it looks more professional than 'bobserv' or 'johnserv' or 'kajdadasd'
