i don't even know the guy who made mine...he had a funny nick like "mrturtles" or something (not even sure about the turtles part). he had really weird skins and posted a couple animated paint gifs. i asked him politely if i could use 1 and he was like sure bro. i like how it fits with the forum layout, so if you're still around, i'll gift u a game on steam (no gay shit)

well, that's my story
