R315r4z0r wrote on Wed, 14 September 2011 21:06I hear of a lot of people who like Asian women.

Personally though, I don't really find them to be all that attractive. And I don't mean that in a discriminatory sense, so please don't take it that way.

I mean, it's one thing to say "oh look, she is pretty" but there is no way I'd ever go out with an Asian girl.

Why wouldn't you go out with one? That would be like heaven, no?
