Our forums got deleted a few months ago so I can't bring up the exact message but im fairly sure it was along them lines.

no totaly wrong and the main person at the time to make the bans was vultima

but my set join was was asked to be removed as it advertised another server . and as I asked the reason why . they removed it for me but I asked again as to why this was wrong as most of them once played renegade comunity server and loved it. ?

but it got out of control as I dont like to be told what to do or should I say orderd . and there stands the ban to this day and all bans from that day are for evading .. that I had to do as was banned from forums also

I'll go with your excuse even though I still think it was due to you being racist.

If you walked into a T-Mobile shop and everytime someone walked in you said goto o2 shop its better how long do you think it would be before you got

- 1) Asked to stfu
- 2) Asked to leave
- 3) Forcefully removed because you refused to leave

Same applies here.

You was asked to do something by a moderator you choose to

- 1) Ignore it
- 2) Re-set the setjoin when it got wiped.
- 3) Acted like a child

You might not like being told what to do but when you're playing on someone else's server which they have to pay £100 a month for you to play on it.. When they say remove the setjoin you remove it.

Lets start with the latest post.

This is what I/we mean by you acting like a child.

no I PLAY AS MDK@ENGLAND@ and after like 20 mins you baned me then I try to start with name ofto-noobstories to let buddys know where i gone fool . if I really wanted back in would have reset my ip name and seriel in like 2 mins and been ok for weeks .

Yes last night you joined the server, yes you got banned. No it wasn't by me. You then joined the server again with the name off to noobstories.. This is EXACTLY what we're talking about.. You want to tell your buddies where you've gone? MSN, IRC, SMS w/e dont rejoin the server advertising another server.

also dont go on about acting like a child as your a kiddy to me your self dude als the fact you are a sheep shagger speaks volumes and you are bread to hate the word england walshy ?????

Now THIS... This made me laugh. You wonder why you're banned and/or people dont like you/want you in their servers... You go and get PERSONAL with me...Dude you dont know me. Yeah to you I probably am I kid, you're (so you say) 14 years my senior however going by how you're acting I'd say you were 14 years my junior.

So like I said before... Not only are you an idiot but you're also racist. Dude im ENGLISH, I was born, raised and lived in Peckham, London for 18 years, for the past 5 years ive lived in Wales.

You're seriously unbelievable.
