LOL I miss mr hippity hop and that tire was fun. You fail at trolling me, you are borderline stalking me. Its creepy. I hope I am not the only one who feels that your obsession is borderline stalker. Ya, I got my problems, but dude. Really? Over a game? This is sad, I even offered to put this behind us at the start but you kept going, I offered here that if you apologized, got scripts 4.0, and didn't bother me, you could play in my server. You arnt even banned at st0rm anymore. I cleared the entire ban list like 2 weeks ago.

Either drop this childish shit and move on or just keep wasting your time.
