Omygod MDK, you can't expect of me that I would still be defending you and that I would be happy with you after your attacks on the st0rm servers. Your numerous ban evades and other shit you pulled out.

You know what your problem is? It's always the mistake of someone else. But you seem to forget what you did the past few months to the ren communities. If you would've just posted a normal thread here with your apology, would've been much better..

Anyway, it's over now. You are lucky that Wilo is a great guy. I am sure others wouldn't be like him and would've unbanned you after your stunts.

Avoid the problems MDK. Enjoy your time in game.
