Lol, this shit is why Renegade is almost dead.

Everybody loves the gameplay, we always try to come back, BUT WE CAN'T STAND THE FUCKING MORONS.

And sadly the stupid people are everywhere in this game, there is no avoiding them, they could be a regular player, mod, admin or the owner of the community.

Sadly 4.0 can't fix the fucking retards, and so there is no true hope for this game. I actually can't wait till it completely dies, means to an end... and this community needs a fucking end.

Anyone wanna measure e-peens and then go piss into the wind? That's about all that is left here.
