MDK@ENGLAND@ wrote on Thu, 22 September 2011 06:00not sure about some of the maps

cairo - mutation redux -and terrace was always to big and not fun for me others liked them but not many

mutation redux and terrace - 2 of the best maps.

don't understand why people always blame maps as to big...

love them. great to snipe and the large areas give a little feeling of reality.

most of the APB maps have wide open range.
