Wasn't there a spectate detection including in OnOeS too? It could be worth porting too, incase things get bypassed in 4.0.

I haven't heard off reloaded, because I haven't had any time to goto irc. but I've gave him the log you posted IRAN, it's in his hands now. Thanks for posting it.

@Blacky: You don't even know what you're talking about. Atleast you learnt to spell though.

"you have been kicked for not useing 3.44." Still makes me lol.
