Yeah, my wallet is going to be hurting for the next few months.

Games I've got on pre-order now are Battlefield 3, Batman: Arkham City, Legend of Zelda: Skyward Sword, Halo: Anniversary and Star Wars: The Old Republic.

Other games I'm planning to get would be Assassin's Creed: Revelations, Final Fantasy XIII-2 and Mass Effect 3. I might also get Modern Warfare 3 somewhere down the line just for continuity purposes but it isn't really a priority.
