iRANian wrote on Mon, 03 October 2011 09:52He won't be able to use big head while spoofing Crimson's nick on a 4.0 server.

final ren, bighead isn't blatant enough.

that was some funny shit, tho. who told you that? you're some bad gamer that started annoying people on the clanwars forum long after i retired, not someone i should know, right?

i wish i still had the screenshots of me going "JUST TESTING FOR RENGUARD!" and people being like "well, ok crimson" until someone in irc uncovered my brilliant scheme.
