---

Been getting quite a few crashes last few days.

Latest one is: {11,1} [-17.266273, 89.290558, 14.942057] <0.423015, -0.458481 -0.574427, 0.529990

It'd be more convent if i could copy and paste it too haha.
