crazfulla wrote on Fri, 14 October 2011 05:13 Another shit map. Don't you people get sick of posting stuff like this? We do.

Don't the other people get sick of posting claptrap stuff like every "content" of your postings? I do.

People like you are a pain in the ass. Not able to do anything constructive for Ren themselves, getting motivation from their own one-liner-posting count full of shit.
