liquidv2 wrote on Sat, 08 October 2011 02:56we could go back and do the specific maps we have that didn't suck  
our list so far:

...

Tiberium\_Redux

...

Don't you mean 'Mutation Redux'???

Also, when the list is made, are there any plans of making it a mappack?  
Just make sure you don't lose the list with rankings
