Jerad Gray wrote on Tue, 25 October 2011 01:35: And is this command system an actual Commander mode where one guy is the leader of the team and he tells everyone where to go, what to defend, launches arty strikes etc.? Or is it just that cheesy thing where you push q and it says "enemy spotted."

What info there currently is on that, is the following:

NO command panel (team commander)

YES commo rose (like it was/very close to BF2)
