All right yeah i see that folder and when i open it i see a whole lot of files

I Zipped them up into a zip file

http://www.filedropper.com/crashdump20111105-011014-r4464-n1

 It won't let me upload on ere for some reason.

Their might be so many because i have un-installed and re-installed trying several diffrent times
