1. Some missions in different C&C titles have the same name. Give one. (There's more than one answer to this)

Blackout, Eviction Notice

2. What was the name of the leader of the Bolivian cult?

Mortimer

3. What do the four following units from Red Alert and its expansions have in common: V2, MiG, Submarine, Badger Bomber, Civilian?

There are missions where they can deliver an A-bomb instead of their usual weapon

4. Of the following scientists and advisors in the C&C series - Mobius, Einstein, Tratos, Dr Boudreau, Dr Giraud - one is the odd one out. Who and why?

Dr Boudreau is the only one who is not (in storyline) captured by the enemy

5. Name three actors who have each portrayed more than one different character in C&C game cutscenes. (Kane only counts as one character)

Daniel Kucan, Nicholas Worth, Athena Massey

6. In Tiberian Sun, what other unit fires the same weapon as the Hover MLRS?

Elite Attack Cycle

7. What's a "tank tank"?

Mantis from Kane's Wrath
