Subject: Re: the Q key..
Posted by iK4l3l on Tue, 15 Nov 2011 08:27:28 GMT

i always used Q as backwards key so now am used to it.. cant change it..

i used to be able to edit my input01.cfg file under data/config and change
VehicleToggleGunner_Primary to another key.. but after scripts 4.0 i cant find that file any more..

any ideas?
