everyone is welcome to attend as we remember a fallen moderator and friend (Nick "spoonplex" Richards) lost three years ago to cancer

starting around 8 pm GMT (both Saturday and Sunday) we will be gathering in the Jelly AOW 2 server (hostname a00) and setting up a massive beacon launch

here's the video i made from last year:
<http://www.youtube.com/watch?v=dOaFh5dnmzw>

hope to see you there
