Subject: CS error
Posted by pierpont7 on Tue, 24 Jan 2012 00:25:54 GMT

im using CS and i set everything up the way i think is correct lol..... but here is the error message...

* /copy: unable to open 'C:\Windows\system32\FDSTalk.dll' (line 2863, CloudyServ.cs)   ok ?? did i config somthing wrong?

Could yall se whats up? and post ur reply!
