jonwil wrote on Sun, 12 February 2012 06:29 Given that the date is 2 weeks away, it might be possible to have Scripts 4.0 beta 4 out in time for this anniversary. Depends on whether StealthEye gets any time to work on the netcode stuff (and on how long the 4.0 beta 4 private test period needs to be)

I wouldn't count on it, from what I've heard.
